### OpenAIRE CONNECT

#### It lowers the barriers that hinder the adoption of Open Science publishing practices in the research community

- Discovery in the literature and data deluge
- Dispersion of research products
- Lack of community awareness
- Lack of Open Science publishing services and tools

**OpenAIRE CONNECT is a tool for Open Science, community building and outreach** 

#### A portal with:

- A customised view of the OpenAIRE Graph
- Discovery and tracking functionality
- Complete branding capabilities

# A facilitator of OS practices Linking & claiming research
